

¡Fútbol Chants!

The chants will be one of the liveliest and fun parts of your classes! Teach the students (with enthusiasm and gestures!) the chants which correspond to the national teams you are selecting. In some cases the words of the chant may be changed slightly to make it easier and more age appropriate for your class. It is also suggested that you listen/watch the mini YouTube videos in order to get a better sense of the chant.

Costa Rica:

Words: "Ticos, Ticos, olé, olé, olé, olé"

Hear it on Youtube!
